THE SENIOR CLASS

Presents...
Foreword

Upon having arrived at this long-awaited time of graduation, we would like to leave behind a permanent record of our class. It is with such an idea that we have planned this book—that in our future lives we may remember the highlights of these years, our sports and our clubs, our teachers and schoolmates.

As we look back on our past school days, we cannot help being a little sad at having gone through the best years of our lives. However, we realize that we have accomplished much during this time and that we shall use this twelve years' accumulation of knowledge in our future lives.

So, with much gratitude to all of you who have helped us with this annual, we present the 1947 Mellon Patch.

Dedication

We, the Senior Class of Putnam High School, dedicate our 1947 Mellon Patch to Miss Estelle McKenzie, our faithful teacher and friend throughout our high school career. She has been and is a prime factor in the molding of the characters of her students, and it is with our deepest gratitude for her loyalty and faithfulness that we dedicate this annual to her.
Alma Mater

FIRST VERSE:
Once again as our schoolmates assemble,
We fain would lift our hearts in song,
To our high school, our dear Alma Mater,
Let gladness our moments prolong.
We are proud of our lads and our lassies,
Of honors won in days gone by;
So here's a cheer for our old high school,
For our old high school—our dear old high.

CHORUS:
Here's to our classes,
Here's to our lassies,
Here's to the lads they adore.
Here's to the Seniors, so mighty.
Juniors so flighty, Freshmen and Sophomores.
Let mirth and gladness banish all sadness,
And as the days go by,
You'll find us ready and steady.
Always boosting for our old high.

SECOND VERSE:
Soon for us, will our school days be ended
And dreams of youth that fade so fast.
And we know that our hearts oft will ponder
On memories of scenes that are past.
There are joys that will long be remembered
And friendships, too, that n'er will die.
So here's a cheer for our old high school,
For old high school—our dear old high.

Faye McGrath Anderson can easily be seen in the football stadium. She monopolizes the place by waving diapers at her all-American hubby, Lorry.

Nellie Werkheiser is a success. She married a 50-year-old multi-millionaire, and has a brand new car all her own to cruise Lemon Street with.

J. W. Warwick is world heavyweight champion and has Bill Graves for his manager. Jack "Hamburger" Ayres is still taking lessons. Maybe some day he'll get strong enough to knock somebody down.

Jackie "Toothpix" Watkins left Clyde Middleton to camp by herself in Pomona to be the cashier in Dickie Bond's grocery store.

We see now that Richard Mathews is teaching English in good old P. H. S., and Helen Jane Tilghman is STILL helping him write poems on "Black Bass."

Martha Lou Thomas and Jimmy Middleton have settled down to raise another generation of Middletons.

Winfred Strom is teaching First Aid in Putnam High. She stayed on so she could tell jokes to the boys.

Horace Hicks is still paying damages to Ruth "Oh My Back!" Cannon for the accident during the selling of tickets of the junior play.

Andrew Cannon is still in high school, telling everyone he sees of his narrow escapes while in "This Man's Navy."

Clarence Day now operates the open-air market across from the school all by himself. We hear that he lost over $2,000 last year, but he says it's because he eats the profit.

Lucille Simmons eloped last week with the iceman. We're sure they'll do a good business, Lucille always did give the boys gold shoulder.

Bobby Stephens has become governor of Washington, D. C. He talked Congress into seeing the necessity of its having one. We can easily understand how he did that. Lorraine Taylor has just opened at the Ritz in New York as a featured actress. Her twins sometimes join in the act with her.

Phyllis Yeagle is still wishing they'd build a navy base in Palatka. In her opinion, peace time and getting a man just don't go together.

Caryn Ferrell and Franklin Bray have opened a funeral parlor. Caryn plays for the services, and Franklin does the embalming. They're about to run Joe Crabb out of business.

Madsline Kennedy is running an orphanage for boys in Keystone. The rules say they must leave at the age of 16, but if that is the case, they must start shaving at 16 months from the looks of things.

While waiting for Ken to get his divorce from Louise, Katherine Nelson is helping Madsline out in the orphanage. It's rumored that she feels more motherly toward Charles Cravat who's enrolled there.

Neal Benedict is a famous engineer. His latest achievement was building a skylift drive across the Atlantic Ocean to keep people from getting seasick.

Becky Ireland is now Mrs. Robert Pope. We just heard that young Becky and Bobby are mascots for the senior class of '57.

Sylv ("I'm Beginning to Wonder") Bullock, gave up trying to find a man and is now Florida's first woman representative in Congress.

Merle Cannon has moved to North Carolina. She likes the kind of men they raise up there. So do a couple other senators we know.

Betty Fitzgerald has finally decided on a member of the Lewis family. The question is, which one?

Betty Jean Rojo is running a boarding house now. Most of her roomers are bachelor school teachers as she is still trying to find a man she likes.

Don El Wilkinson is STILL running around trying to find a girl with money enough for him to consider going with?
Johnny Rager now has his own band with Bobby "Stag" Rylas as his assistant, telling or the ones who talk, and giving dements.
Bobby Wallo, accompanied by his wife, Joyce, is now opening at the Palace in New York. They are for swooning girls, he even has Sinatra beat.
Joe Bradshaw and Lavinia Hutchins are raising pigs on their farm. Oh, yes, we forget to add that they're raising little Bradshaws, too.
Mary Kathryn Palmer and Daniel Boone have their own clothing store and are doing a thriving business. Mary Kathryn models the clothes.
Never let it be said that the Crosby girls couldn't get a man. Helen isn't far behind her sisters. She already has one on the string.
Billy Jass is with our armed forces in China. He made private first class last week and sent all his friends a picture post card telling them about it.
Chalsy Cravat let the cat out of the bag! He just announced his secret marriage to Betsy "Peroxide" Fitzgerald.
John Knight has taken over Miss Mayo's classes and runs them the way he thinks they should be.
Mitchell Owen is now an animal trainer for Ringling Brothers Circus. He always did like animals in the woods.
Beth Bloom still makes a wish every night that she will be Betty Knott's sister before long. A life without a man just isn't worth living.
Non Murphy is learning to spin fractions again in order to help her young sister who is in the fourth grade.
Wonders never cease. Sam McCauley has reformed and is now a Baptist minister.
His Dad is in Cedric Hospital recovering from the shock.
Ruth Rogers has moved to East Patlaka with Andy McGinn. They just got married last month and have been on their honeymoon.
Thea Nollos said she was getting tired of climbing a step ladder to kiss her husband. Hence Allen, goodbye every morning, so she is installing a escalator.
Barbara Robinson, who lives next door to Shady Rest, got tired a couple years ago of staying home, so she got a job as a sales girl. She is now billed as "Babs the Blonde" and draws many customers to "Eat, Drink, and Be Merry."
Ruth O'Connor entered her son in a Navy Academy, and she and her husband are sailing the high seas in a washtub.
Robert "Dog East" Monroe, with his bass horn, now has his own Hill Billy Band and is playing at the Sam Water's Catskill Club every Saturday night.

FRESHMAN WAITRESSES FOR JUNIOR-SENIOR BANQUET OF 1945-46

Standing: Carl Ramsey, Bola Mae Hurst, Betty Bruce, Patsy Merwin, Shirley Phillips, Jean Herrington, Jackie Haines, Dorothy Starbird, Catherine Smith
How can we ever forget that first day of school? There we all were, behind our mother's skirts, scared to death. Then, twelve years seemed like an eternity, but now

remember how some of us would get lost the first two or three days and have to
be looked for? Soon the strangeness wore off and school was like a second home to
us. Certain girls—we wouldn't dare mention their names!—early proved their ambitions
when they chased Kendrick for a kiss... some fun, eh, Ken?... How can we forget
those plays we put on, and how proud we were when we gave them at the High School
on that huge stage (well, that's how it looked then)—we would think we were
budding Bernhardts.

Somehow, we all got promoted to the fourth grade—that was upstairs, and did
we feel big! But many of us, for the first time, faced reality... we discovered there
was no Easter Bunny, and even worse, no Santa Claus. However, we weathered this
and settled down to thermometers, geography, and, oh yes, long division.

What with all the picnics and school papers, the last years of grammar school
passed quickly. Those annual picnics were held at Silver Lake... Remember how
we raced each other in the consumption of food? And how about that "Cave Man"
by Whaler in the sixth grade... Oh, it was rough all right!

Somehow, though, we actually got to the seventh grade... Our big moment, for
we entered High School! We really felt important then! We wouldn't let our
mothers come with us to register for the first time in P. H. S. We were all brought
down to earth, however, when we met Miss Drennan, and crouched under our desks
every time she moved from being hit by erasers. One of our new members
the's still with us, so we can't tell you who he is; started off with a bang when he
pinched one of the girls and got hit over the head with a board. Our history class
took on a new meaning when the war started, and Mrs. Carter devoted her classes to
the discussion of it.

In Mr. Wycoff's class in the eighth grade we learned more corny jokes and football
plays than we did history and science. And oh, how we loved to dance under the
hypnotic spell of Mr. Cusick's; our Math teacher. Our biggest decision in the
eighth grade was choosing Evelyn June and Kendrick Major for the American Legion
Award.

How proud we were when we finally reached the stage where we could yell
"Freshmen" in the school song. Our poor lungs are still suffering from our enthusiastic
outbursts of our Freshman Year. One of the main highlights of that year was the
Junior-Senior Banquet and Prom, when Lucille Simmons was our representative. Some
of the lively girls of our class were elected waitresses, and it can be safely said that they
put on one of the best programs ever to be presented.

Those never-to-be-forgotten tenth grade classes with (sigh) Miss Rogers were
filled with uproarious shouts and whistles from the MEN of our class. Ben Breland
was our representative that year to the Banquet, while some of the less fortunate ones
had to be content to be on the outside looking in.

Our Junior year was not only the busiest, but also the most exciting for the girls
who, for the first time, flashed their diamonds and practically blinded everyone. Our
Junior Play, "Shadows in the Night," under the direction of Mrs. Harlow Meader,
really made a hit. For some of us that was our first year to go to the Prom, and we
really worked hard to make it out best for the dignified Seniors.

As all good things must come to an end, so must the class of '47. As we look
back over these happy days, we realize that the best part of our life was spent in
preparing for the future, and we shall use this twelve years' accumulation of knowledge
in the future... be it on the W. P. A. or in the White House. From the time we
were in the first grade—young, innocent, and dumbfounded—we have been looking
forward to the day of all days—Graduation!

OUR FOOTBALL SCORES AND HIGHLIGHTS

The Putnam High football team started the year under the guiding hand of Coaches Eddie Joe Long and Pete Maman, against Lake Butler. The Maroons grabbed an early lead by way of a long pass in the opening minutes, but were unable to punch over any more. Lake Butler came from behind to win 13 to 7.

The team went to Deland the following week. The boys never seemed able to get started. The final score was Deland 19, Palatka 0.

Once back in the Azalea Bowl the Maroons showed that they could not be out-fought. Green Cove Springs put up a good fight, but it wasn’t quite good enough. Green Cove Springs 0, Palatka 31.

Eustis, one of the hardest high school teams in the state, took an easy win over Palatka. Eustis 26, Palatka 7.

The Hastings-Palatka game, always one of the hardest fought, ended in a stalemate. Hastings 0, Palatka 0.

When Starke furnishes the opposition for Palatka, you can always expect anything, but this year neither team was able to muster enough strength to push over a touchdown. Starke 0, Palatka 0.

The Seabreeze (Daytona) game lacked nothing but a score. It was a thrilling from opening kick-off to closing whistle. The score, Seabreeze 0, Palatka 0.

The Maroons then journeyed to Jacksonville Beach. Fletcher simply outclassed and outnumbered Palatka, but the fighting Maroons could not be out-fought. The scoreboard read Fletcher 26, Palatka 0.

The boys once again showed that they could not be denied. With New Smyrna furnishing the opposition, the Maroons really went to town. After scoring almost at will, Palatka came out on the long end of a 26 to 0 score.

The game with St. Augustine not only marked the closing of the high school football career for many, but also renewed the keen rivalry, accumulated over a number of years, between the two schools. The Mallets, East Central Conference Chumps (Champs), THOUGHT that they had won the game before it started. The Maroons had other ideas on the subject. The boys put every bit of their strength into their blocks and tackles. When the game had ended, you could read the score on the faces of the Maroons—Palatka 6, Mallets 0.
