FOREWORD

Another year drifts by like the strains of a soul-satisfying waltz. Day follows day—not unlike a seemingly endless symphony. Some days are slow, some swift, some soft, some lively. From the rhythm of these passing days, we select the highnotes that carry the melody of this high school year. These we set down for you in the following pages, hoping that in future years they will call to mind the particular words and music that make up the song of one of the happiest years of your life and ours—1949. From the happenings of this year, we have endeavored to give to you the simple pleasures of daily life, the highlights of hilarity, the fulfillment of ambitions, our cherished friendships, and to weave them into this, our 1949 MELLON PATCH, which we hope will—"keep what is worth keeping and, with the breath of kindness, blow the rest away."

We, the senior class, dedicate our 1949 MELLON PATCH to you, George D. Hogarth, in recognition of your twenty years of faithful service as janitor of Putnam High School. All of us would like to express our warmest thanks to you for the many things you have done to make our school days happier. You have cheered us by your friendly smile, and thus encouraged us to pass successfully over many of the difficult places along the road of school life. For this and for your sincerity and helpfulness on all occasions, we are indeed grateful, Mr. Hogarth.
TO CHARLES
Our little friend is gone, the cold relentless earth has claimed its own,
The shadows of a drear February day have taken Charles on;
Our hearts are sad, our spirits mourn his loss,
Our eyes are wet, our hopes like leaden moss.
But time wends on, our little pal is missed,
We pass his grave, a bed that is flower kissed:
The sun comes up, a break is seen in sodden skies;
We see our friend, upon a silvery altar lies.

Even though we are seniors now, looking over 12 years and things that happened they seem very clear to us now—it seems hard to imagine any time has passed since John Black was the hero of Mrs. Sands room, because he knew the secret of making the biggest and best "spitballs" of anybody in the whole first grade. We'll never forget how shocked we were at the news that Mary Lib wrote to Ed Lewis—Shirley captured the hearts of all the boys with her long pigtails and smiling face, while John Black answered to "The Great Lover"—Dickey joined the pack and charmed Mrs. Burling and the girls too (so he thought). Most of us are still knocking ourselves out laughing at Mrs. Burling's jokes—Various young heroes were saving our lives daily on the Safety patrol, and Dickey still argues as to which one of them was the better captain. Shirley was the envy of the campus because her boyfriend was Jack Tilton, an upper classman.

Charles McCorkle really gained himself a reputation by going around half the time with a black paste brush on his upper lip imitating Hitler, and scissors over his eyes doing a "stump down good" imitation of President Roosevelt—that year Jimmy Middleton had his pipsy ways and his snappy actions, earned good ole E.S.—we'll never forget the way Mrs. Bie's room gave when Dickey let out those white mice that got Gail all tangled up in the yarn and all but forgot her lines, or the "puppy love" letters that Dickey wrote Shirley that she corrected and sent back to him.

With all the flower pots and milk bottles Wallace had cracked on his head it was a wonder he ever got to be a senior—remember the time when Pat moved in and took George away from Gail? At this time our Hockey Playing friend Charlotte Hayes was in her prime—we sent one man to the polls that year, we really felt old and worldly wise when our fellow classmate Worth Knowles voted.

The coming of Betty Bruce heralded the opening of the seventh grade and our first step into that wonderful new world—Putnam High School. We turned out in full force for the junior high dances, the girls especially if for no other reason than to gaze at our handsome new teacher, Tommy Johnson.

George Ferris, our local yokel "hot-shot" jitterbugger was officially given the title "Billy Cooke, Jr."

The eighth grade found us saving our lives away in Mrs. Compston's English class; by that time Anne and Donald were mentioned as one. We proudly chose Fay Ray and Billy Tilton to receive the American Legion award.

The ninth grade brought even greater prospects to our eager beaver minds, we really belonged now! We could yell "freshmen" in the school song and at last be a pupil of the fabulous Miss Boyd—We'll never forget the initiations we suffered—its a pretty long walk from Yelvington to Palatka, isn't it Royce?

"Betty and Cooke" became a by-word and Dicky Duttenhaver became Mr. Jean Stafford—that wonderful year ended by the girls serving as waitresses at the prom and Fay Ray, the wheel of the class, being elected as our representative.

Most of our tenth grade school time was spent in the back booths of Moore's (this, of course, was before Mr. Beach's time). The Latin of "46 n 47" broke all records for maximum (magnus, a, am remember???:) noise—for this Gail, Maurice and Donald are awarded the good conduct medal. This time Betty (fickle) Bruce had hooked not only Jimmy (Cream-Puff) Murphy but also Jack (Stick) Tilton. We chose Charlie Alfred (who was destined to be the most handsome boy of our senior class) to be our representative at the Prom.

We really enjoyed being "flighty" juniors; of course we had to whistle Mr. Beach down to our size, but after we got to know him we decided he wasn’t such a bad guy after all—The names Buddy and Mary Lib have become synonymous, while Steve Jay and El Lewis left us for the Navy—First semester flew by, but second semester found us busy on our play “Backwoods Romeo.” This really brought out Charles McCorkle’s “hidden” talent, Betty taught him how to pitch ‘wone’ in the play and he has been going strong ever since.

We bet we know one boy who will never forget his junior year, especially that one certain night when he fell out of his car backing out of a—a place—Well we cleared enough on the play to put on a super-duper banquet and prom for the seniors, Arabian and Pirates too, but in the end it was worth it for everyone certainly had more than a wonderful time, how ’bout Wallace?

W’ere SENIORS!! And it’s wonderful. Very few changes have been made (of course Joe Mac has become Mr. Sylvia Pendrgrass, but nevertheless)—but don’t let anybody kid you, we still have work to do. ‘If it ain’t promo, its plays and Annuals’. We can really use the “wampus” we got from our play “Boarding-house Beach” so put on our Mellon Patch. We all agree that our senior year or P. H. S. itself would never have been the same without the help and the understanding of our senior sponsors, Mrs. C. M. Carter and Mrs. W. W. Carter—and now we are eagerly awaiting the wonderful banquet and prom that these juniors are going to give us, final exams and the goal we have spent twelve years (maybe some of us a few more) working toward—GRADUATION.

TUTOGRAPHS
Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in preserving "treasured memories" in 1949 Annuals for more than 1100 Colleges and High Schools in seventeen States.
