Snow Days

I hope that your school year has been an enjoyable year. I also hope that it has been a year where you have continued to prepare yourself for your future.

To you who complete your middle school years, I wish success as you begin the high school phase of your education. To you that will be middle school students next year, I encourage you to work hard to continue building your foundation of education.

Best wishes to each of you.

John F. Gaines
Superintendent of Schools

Mr. John F. Gaines, Superintendent

Mrs. Meredith Barker, Principal and Mr. Gaines

This has been a most enjoyable year for me in working with and for such a fine student body. As I look back, the time has been much too short to accomplish all the things the school would like to do for you.

In this world of ever increasing specialization and knowledge, it is my hope that we have been able to expand your educational and social standards as a group and to inspire you to greater goals as an individual.

The great Greek philosopher, Socrates, once gave two words of advise to his students which I would like to share with you. He said, "Improve thyself." If we all follow this advice, success is bound to follow.

Thank you, students, for being what you are and for what I know you can become.

Mrs. Meredith Barker, Principal

Mr. Owen Chastain, Supervisor Secondary Education

My wish for you is that this has been an exciting and rewarding year! May each successive year bring you added happiness and a deep sense of accomplishment!

Remember that your personal learning is something which can never be taken from you. Upon this learning it is possible to build a full and meaningful life.

Best wishes,

Owen Chastain, Supervisor
Secondary Education

Mrs. Barker and Mr. Chastain

Mr. Robert Fenner
Assistant Principal

I would like to take this opportunity to thank all of you at PMS for making my first year back here a pleasant experience. Congratulations and good luck to all of you who will be moving on to high school to complete your education.

I would like to personally congratulate each of you who have made this school year successful. Thanks to all who have cooperated in making this a pleasurable year.

Mr. Bill Fain
Assistant Principal

Miss Joyce Skaff
Assistant Principal

I would like to take this opportunity to wish each of you happiness and success in the future. I hope that you will be able to remember your learning experiences at Palatka Middle School as rewarding and happy.

Good luck to each of you in the future.

Mickler

Mrs. Martha W. Mickler
Assistant Principal
