Wendy,

I can remember the first time I ever met ya. It was in October I think. Since then I feel we've become really close friends. You have been an inspiration and a great part of my life. And I want to thank you for being so good to me. Everytime you read this remember all the great times we've shared together, like pushing the MS from the school, and all the times I walked right into you when you stopped right in front of me. There are probably a few things I've read + done that I shouldn't have but just remember all the things that has made you crack up. Some to a point where you couldn't stop. Well, I'm sure there will be a ~~few~~ few more great times. Thanks for all + especially giving me a ride to + from school. You're a totally sweet, super nice, and very pretty person. You have a great personality and I have a ball whenever I'm with you. You're a super great person. This probably sounds a bit mushy but I just can't seem to write the way I

feel about you. Chisel, I'm trying. I hope to see you over the summer. Drop by anytime really. I sure wish you lived a lot closer. I want to wish you all the luck in the future with the many things life has to offer. And remember... you only live life once so hit it with your best shot. May all your dreams become realities, and keep on following your rainbow until you find your pot of gold. I love you like a sister.

All my love forever

Wendy,

I really don't know where to begin to start thanking you for all you've done for me! I've begun to rely on you far too much than I should, and I'm sorry if I ask for too much at times. You are the best friend a person could ever have, I just wish you weren't older than me because it means my senior year will be on my own and I don't know if I can handle it. You've really helped me a heck of a lot during the worst days of my life and I just want you to know that I really, really, really appreciate all of your help! Thanks for sharing your secrets with me and for keeping mine so concealed! You're one I can really confide in. I hope you will always keep in touch, even after you go <sup>oops</sup> to technical school! Stay sweet and pretty - and I do mean pretty, 'cause you get prettier & prettier every day! I really think you will get what you want from life if you want it bad enough! Keep being the best

again for all you've done!  
Love Always

Into this world we are born with a precious gift  
Of laughs, and loves, and dreams.  
We live our lives as best we can  
Although at times they seem  
To quickly pass before our eyes  
And fill us with regret.  
We must not doubt our precious gift  
And strive not to forget  
Those whose lives had ended before they had begun.  
The laughs, the loves, the dreams of life . . .  
Without regret, and guilt, and strife.  
Make each moment pure and bright.  
We all must part  
But we all unite.

Now we're in the final year,  
of this High School life, which we hold so dear.  
We've kept the spirit going strong  
because we know graduation won't be long.

We've been together through good times and bad,  
and when the end comes we're sure to be sad.  
Yet we'll always remember each other and say,  
"Though I look toward tomorrow I miss yesterday."

## Outstanding

Judge Isaac Bronson, one of the first circuit judges in Florida, built his home at Sunny Point, Palatka, in 1854. Bronson prepared and sponsored the city charter for Palatka in the Florida Legislature, petitioned that the town be the county seat and donated the land on which stands the courthouse.

The Bronson House

### Brian Hill

When Brian was little his main goal in life was to become an astronaut. Now, however, he plans to go to college and major in either business or marketing. During his years here Brian feels he's grown in ways which will help him in the future. Some of the faculty who he says helped him grow were the coaching staff, Mrs. Merritt, and Mrs. Perry. Brian enjoys football, waterskiing, snow skiing, weightlifting, and basketball. Brian's parents are Don & Sandra Hill.

## Seniors

Edwina has the unique ability of being both academically as well as athletically inclined. She has won recognition in volleyball, basketball, and track. Edwina has also served as stationer for the varsity football team. Her interests are good food, good books and good-looking guys. She is the daughter of Royce & Dolores Miller.

Edwina Miller

### Cathy Willis

Cathy is a talented musician and practices her talents in the school's Pops Ensemble & Concert Chorus. Though music takes up much of her time she is not without other interests which are, cooking, traveling and meeting new people. Cathy is the type that once she decides something there's no waiting for it, and that's why when she decided to enroll at the University of Florida she did so to start in June. She plans to pursue a career in Business Management. Cathy is the daughter of Mr. & Mrs. Dan Dixon and has two brothers and two sisters.

## Outstanding Seniors

Tammy Baxter

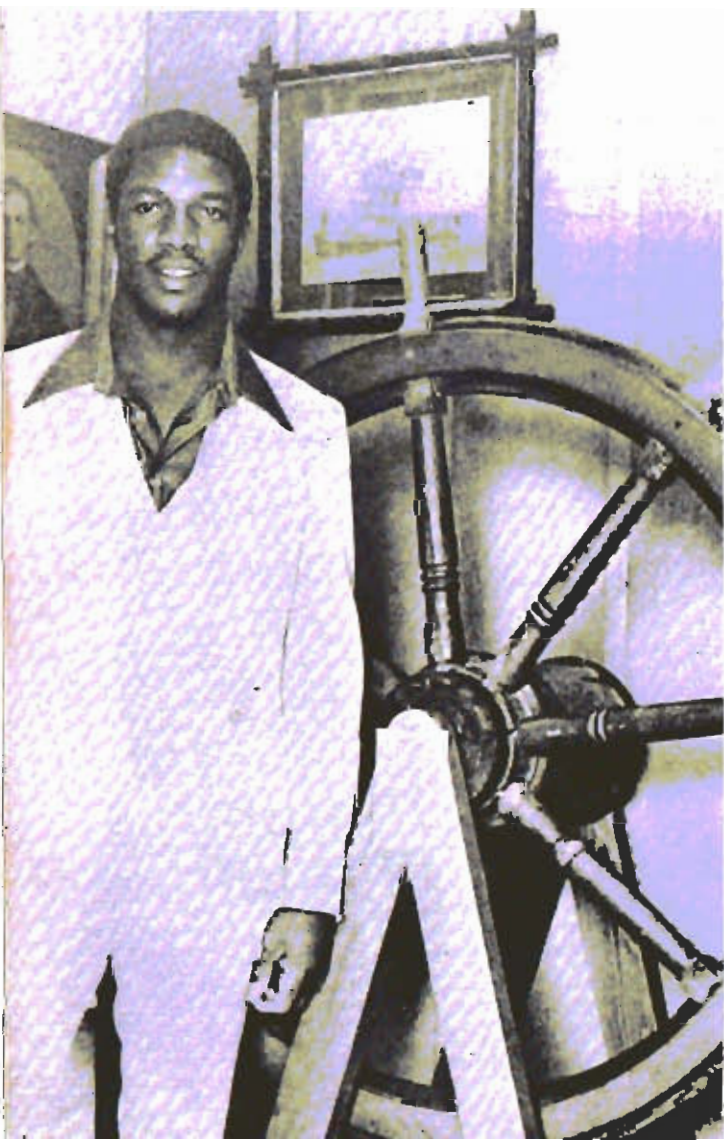

Tammy's high school years have meant learning, growing and friendship. She has been in many clubs, including, Spanish, Anchor, Beta, Spirit Committee, Keywanettes, Little Women, Horizons. She has also served on the Student Council, as president her senior year. Tammy thinks PHS is a great place to go to school for four years but now she's ready to graduate and move on to bigger and better things. She plans to attend either Furman University in Greenville SC or Converse College in Spartanburg SC. Tammy is the daughter of Mr. & Mrs. Wm L. Baxter.

## Outstanding Seniors

Tracy Burnett

Although Tracy doesn't know where he wants to go to college, he knows what he wants to work toward once he gets there. Tracy plans to become a commercial airline pilot. He feels that his four years here him expand academically as well as mentally and is grateful to have been a part of PHS. Tracy feels that there was no particular faculty member that stood out in his mind but, that they all contributed equally to his development. Tracy's parents are Mr. & Mrs. George G. Burnett.

John L. Williams

John L. is the son of Jimmie & Nola Williams and one of seven children. He has always wanted to become a policeman when he was grown. Then came high school and football. John L. established himself as the greatest running back in Palatka's history. But his talents aren't limited to just the football field. He has enjoyed a successful basketball and scholastic career as well. According to John L. his high school years have given him a good education, friends, and a way to further his education with a scholarship to the University of Florida where he plans to study business management.

Susan Weigel

Susan is a member of Christ Independent Methodist church. She enjoys horseback riding, swimming & raquetball, but most of her time is tied up in school activities. Susan ambition has always been to become a school teacher. Times have changed and so have her plans. She has been accepted to Auburn University where, in the fall, she will begin her studies in Medical Technology. Susan is the youngest of five girls whose parents are Dr. & Mrs. Walter Weigel.

## Outstanding Seniors

Ava Seaney

Believe it or not Ava's favorite hobby is target shooting. shotguns or rifles. She also enjoys meeting people and works part-time at a clothing store. Her occupational interests lie in the medical field, exactly which area is still a mystery. In the immediate future Ava plans to attend St. Johns River Community College for one or two years and then transfer to either Florida State or the University of Central Florida. Ava is the middle of three children and the daughter of Mr. & Mrs. John Seaney.

## Outstanding Seniors

Hallie Ward

Hallie has had a lot of fun during her high school years and attributes it all to her teachers, friends and clubs. According to Hallie two of the teachers who contributed the most were Mr. Steve Hunt and Mrs. Mary Louise Thomas. After graduation she plans to attend St. Johns River Community College. Hallie has always wanted to be a teacher, and someday hopes to teach music. She has one brother and is the daughter of Jerome and Lorraine Ridaught. Being a girl of many talents, Hallie is active in the Pops Ensemble, singing at the First Baptist Church, playing the piano and sewing.

Leitha Gibbs

Leitha is one of ten children and the daughter of Walter & Beatrice Gibbs. She enjoys dancing, swimming, and modeling and plans to go to the University of Florida and modeling school. Leitha is a member of the First Born Church and active in Future Business Leaders of America & the National Honor Society. She says that she has enjoyed being here but is glad that graduation is soon. She is also looking forward to going to college and being on her own.

Lisa Montague

Lisa has dreamed of being a mother ever since the second grade. Today that dream is still alive and well, but she's added a few more. She plans to attend Florida State University in the fall and pursue a degree in nursing. Lisa has been very active in clubs and is an involved member of the First Presbyterian Church. Lisa is the daughter of the late Dr. Fairfax Montague and Mrs. F.E. Montague. Lisa is glad to have grown up in a small town but is ready to move on.

Of all the high school years, the junior year is the one most full of changes. Many of them got jobs, started driving, and a few lucky ones got cars.

They weathered new experiences and contemplated what they would do with their lives after high school. And many fun-loving juniors seriously began to consider which college they would like to attend. There are two favorites as far as colleges go. They are Florida and Florida State. You will find that many students plan to attend one of these two schools in the near future.

Senior year is now in mind.

# Sophomores; Here's To You

# A New Beginning For Sophomores

This was the year when everyone got involved in school activities, clubs, and spirit contests. It was a year of new experiences to add to the old and a year of hardwork for sophomore class officers Marcie Pumphrey, President; Nadeen Wyndham, Vice-President; Patti Keene, Secretary; and Amanda McKinley, Treasurer;

Sophomores won many of the spirit yells and cheered their J.V. Football team on to a 7-1 record. This class was a spectacular group and they proved this through their loyalty to Palatka High. They showed they really care about their school. They get better each year. Class of 84, you're a class like no other.

Their freshman year behind them, faces and surroundings were familiar to the over 500 sophomore students who resumed classes at Palatka High School. Along with advancement, however, came the pressures of more difficult courses and decisions. Still, sophomores took it all in stride—taking pride in their achievements as a class as well as individuals. The election of class officers was an important event at the beginning of the year and immediately attention was focused on raising money for prom and grad night of their senior year. And now at the close of the year sophomores continue to look forward to the challenges of their junior year.

Michelle Fair and Mindy Riddle believe sophomores should stick together.

# Here's To You Freshmen

The Freshmen class entered PHS determined to show the upperclassmen they were just as important a part of the school as anybody. It was a year filled with exciting activities, new learning experiences and meeting different people.

The Freshman class officers were elected in September. They were Laurence Wolfenden, vice-president; Randy Largacci, secretary; Tance Roberts, representative; Leonardo Miller, treasurer; and Jason Bailey, president. The class of '85' started their high school years off with a bang!

# ANXIOUSLY AWAITING A NEW YEAR

On Monday August 24, 1981, Palatka High School opened the doors for its fifth year. Approximately 500 Freshmen encountered Palatka High for the first time. For many it was an exciting, confusing, and sometimes frustrating experience. There were new people to meet and new rules to follow. They had to get used to a whole new routine. Enthusiasm showed in freshmen faces. Time after time, they proved they were an important part of PHS. The Freshmen also realized the future was closer than ever. Here's to you Class of '85'!

Freshmen are excited about their first year at high school.

The 1981-82 Freshmen seemed to be one of the most enthusiastic classes PHS has ever seen. They were involved in club activities, school events, and pep rallies as well. They had a lot of pep and spirit and showed it! The class of "85" proved that they had that Panther Spirit.

Greg Futch and Chris Moore seem enthusiastic about Coach Alred's class.

*What a  
can day!*

By RICK ROBINSON  
Sports Editor

The crowd that had been seated for a little over an hour and a half was screaming with anticipation, as Palatka High's Mike Brown kicked off to begin the first ever state football

championship in Putnam County.

Riviera Beach Suncoast kick returner Rodney Shumake backed up to the 1-yard line, took the kick and returned the ball upfield to his own 27.

At that point no one could

	RIVIERA	PALATKA
10 First downs	10	10
25-80 Rushes, yds.	45-343	0
140 Passing yds.	0	0
30-13-0 Passes	6-0-2	0-0-0
6-6 Fumbles, lost	2-1	0-0-0
7-95 Penalties, yds.	6-60	2-32.0
2-35.0 Punts, yds.	0	2 -2
RIVIERA	0	0
PALATKA	21	7

had the game would be for the next day, with the Panthers taking the first state high school football championship 42-2.

James Hunter stepped back and hit wideout Anthony Hicks for an apparent first down at his 40, but as Hicks attempted to turn around he never really saw what hit him.

Palatka High's next top name among a healthy group sure to be highly recruited a year from now, junior cornerback Jarvis Williams, made a thunderous hit in the secondary and the ball popped free.

Recovering for the Panthers was another one of those juniors in the defensive backfield, Ricky Mulberry, on the Riviera Beach Charger 45-yard line.

On the second bark of the signals by sophomore quarterback Clifton Reynolds (57 yards on five carries), he stepped back, and pivoted, moving down the line where big Willie Tilton held his own at the right tackle position. Reynolds broke free and outraced a stunned Riviera Beach secondary to the end zone from 40 yards out.

Brian Hill then booted the first of what turned out to be six consecutive extra points and the rout was on.

The Palatka coaching staff had said quietly all week that the game could be much easier than most expected, because they felt Riviera could be pinned up at the line of scrimmage.

After those first few plays, the visitors never were able to get off the floor of Veterans' Memorial Stadium, packed beyond its capacity with a crowd estimated at close to 6,000.

The Panthers made short work of the South Florida Chargers to close out any real comeback hopes before halftime, by scoring on each of their next three possessions.

Safety Mike Brown, the only starting senior in the secondary when John L. Williams wasn't in there, came up with the big play on Riviera's next possession. He roared into the backfield undetected to drop Hunter for a nine-yard loss. The Chargers two plays later, despite coming up with a 15 yard gain on a pass play, punted the ball back to the Panthers.

John L. Williams (144 yards on 18 carries) blasted up the middle for five yards, Darryl Oliver (40 yards on eight carries) raced off right tackle for 15 yards, J.L. Williams scrambled off left tackle for 15 more yards, Joe Brinson (59

yards on 10 carries) blasted up the middle for nine yards and J.L. Williams blasted through for 12 yards before Riviera Beach's defense realized what kind of wishbone attack they would have to try and stop and

1.) Our star running back John L. Williams

2.) Our #1 Coach Bob Lyle.

The week preceding our Homecoming game was indeed an eventful one. Many people participated in the activities, freshmen for their first time and seniors for their last. Monday was cartoon day, giving students a chance to dress up as their favorite comic strip or cartoon character. Tuesday was 60's day and students portrayed the flower children of that decade. Wednesday was tourist day, the school was full of white-legged tourists clad in bermuda short. Back to tradition, Thursday was Black Day, and Panthers mourned the death of the soon to be departed Sandcrab's. That night we held the Panther Prowl, skits and cremated the Sandcrab's coffin. Friday was of course, Blue, Gold, and White Day, school spirit rose high as students predicted the Panthers victorious Homecoming. Ava Seaney was crowned Homecoming Queen '81 and Panthers won our Homecoming Game 49-0.

One sponsor, (slightly cracked),  
 One dozen members, (mixed nuts may be substituted!)  
 One teaspoon bottle drives,  
 One cup car washes.  
 Two parties, Christmas and end of year,  
 (more may be added if necessary.)  
 One convention weekend (mild or spicy).  
 Mix together, (be sure to initiate new members thoroughly!)  
 Spread thinly on sponsor's patience,  
 Bring to boil over club president's temper.  
 Cook one hour after school every two or three weeks.  
 Let cool over the summer,  
 serves four to five curious school administrators.

Anchor Club is a service club sponsored by the Pilot Club. To raise money the club held a bottle drive, sold calenders, and had a bake sale. They had a halloween at the Pilot's Club, a dinner for the installation of officers, and attended a district meeting. Anchor had a very good year.

# BETA: TRUTH, HONOR, AND WISDOM

Ann Huntley has a very serious thought.

Beta sponsors Miss PHS every year. The members participate in service projects throughout the year that benefit both the school and the community. Beta's main goal was "to encourage students to maintain a high grade point average throughout the school year." Beta always seems to have a great at PHS.

# LEARNING TO PRAY TOGETHER

FCA has been a success this year. The club has grown immensely since the 1st meeting. Many of the members feel that they have grown closer to God and the people around them. It helps having friends praying for you and gives you a good feeling to be praying for others. The biggest event of the year for FCA was attending Jesus "82."

# HOMEMAKING HEADS THE WAY

FHA stands for Future Homemakers of America. FHA members were very busy this year. They sang Christmas carols at a nursing home for Christmas, they gave Thanksgiving baskets to two families, and sold valentine flowers. Some members of the club attended the district competition, a district meeting, and attended the state convention in Orlando.

# C'EST SI BON!

The French Club got off to a great new start this year. They participated in events such as homecoming, the interact derby and Miss PHS. They went to two very popular French restaurants in St. Augustine and Daytona to celebrate Christmas and as a learning experience. They also sent a delegation of students to the Congres, the annual French student convention.

# KEEPING GRADES HIGH

The National Honor Society is a nationwide organization of students sponsored by the Association of Secondary School Principals. Students must achieve leadership in school and community organizations, be of good character and maintain a 3.5 grade point average in order to be members. The local chapter sponsors two large service projects each year. Members receive training and then screen all ninth grade students for vision problems. They also complete the honor roll each grading period. Several smaller service projects and member socials complete the years activities.

# LEADERSHIP DEVELOPMENT

HOSA stands for Health Occupation Service Aides. Hosa members attended several state leadership conferences throughout the year. They also gave food baskets to deserving members of the community at Thanksgiving. Being a Hosa member wasn't all hard work though, they had several great parties this year.

1) The 1981-82 Hosa for Palatka High School. 2) Mrs. Sharon Harris, Kim Saunders, and Tammy McLeod give their utmost attention to a guest speaker.

# FFA: GROWING FOR AMERICA

## Future Farmers

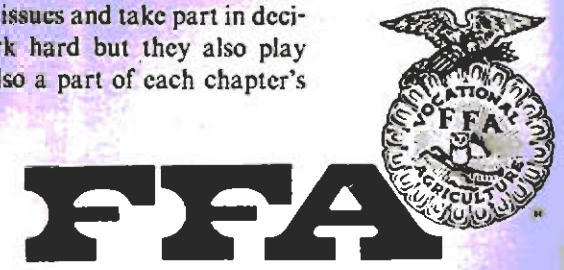

Through active participation in the FFA, members learn by taking part in and conducting meetings, speaking in public, participating in contests based on occupational skills, earning awards and recognition and becoming involved in cooperative efforts and community improvement. The FFA offers the opportunity for achieving a personal goal of becoming productive citizens in our democracy. FFA members believe in leadership, citizenship and patriotism.

**Learning to do,  
Doing to learn,  
Earning to live,  
Living to serve.**

Members participate in regular chapter meetings, present motions, debate issues and take part in decision making. They work hard but they also play hard, as recreation is also a part of each chapter's yearly program of activities.

# WITH YOU

"All right, who messed up the pyramid?" (Jane Thomas)

Horizons meant more than just a class. It meant a lot of time and hard work put into one year. From the very first day the work began and it was nonstop until the book was completed. Things were hectic for Horizons staff this year because a lot of changes were made. There was a new advisor, new staff members, and we worked with a new publishing company. There were a lot of new ways of doing things and many things to learn. But with much patience and many changes, the book started rising and continued to form our Horizons!

# LATIN CLUB IS ON THE MOVE

Latin students have a very serious discussion.

Latin students continue to have fun and show superior achievement as they learn about our Greek and Roman heritage through the study of the Latin Language. P.H.S. Latin students are one of the three host groups for the annual State Latin Forum in 1982. They will compete in academics and Olympics at both District IV and State Forum. Latin is truly alive at P.H.S.

The Latin Club and their officers for the year 1981-82 are; Ann Goembel, Pres; Lavonia Boyer, V-Pres.; Heather Alred, Sec.; Ann McKinley Treasurer. Mrs. Kathryn Sticklin, their sponsor.

# HERE TO CHEER

This year was the first year Palatka High School had a Pep Club. The main function of the club this year was to raise the spirit and cheer around the school. Members cheered up the school by cheering at home basketball games and pep rallies. The club sold candy apples and peanuts to raise money.

1) The 1981-82 Pep Club for Palatka High School. 2) Cherise Harmon, Sharon Session, Debra Fenderson, and Lisa Horner practice some new cheers for the next basketball game.

# NEW SPONSOR & A NEW YEAR

# WORKING HARD TO BE #1

When Vicky Johnson talks, people listen!

The Spanish Club is just one of the many clubs at Palatka High. The Spanish Club has already produced this year, a Homecoming float, skit, and two bake sales. We also (with the participation of the spanish classes) prepared enchiladas in the school's kitchen. On November 21, the Spanish Club and Spanish II classes took a fieldtrip to the El Torito Restaurant in Orlando, Florida. In April, the Spanish Club and classes will send selected students to Orlando to participate and compete in the 1982 Florida State Spanish Conference. (FSSC)

# NEW SPONSOR & A NEW YEAR

The Spanish Club is just one of the many clubs at Palatka High. The Spanish Club has already produced this year, a Homecoming float, skit, and two bake sales. We also (with the participation of the spanish classes) prepared enchiladas in the school's kitchen. On November 21, the Spanish Club and Spanish II classes took a fieldtrip to the El Torito Restaurant in Orlando, Florida. In April, the Spanish Club and classes will send selected students to Orlando to participate and compete in the 1982 Florida State Spanish Conference. (FSSC)

# FOREVER FRIENDS

Friends are such an important part of our lives. At PHS we have an abundance of opportunities to meet students. We might share the same classes or maybe some other school activity. Just going to the same school is enough to bring us together and make many lasting friendships.

Friends help make our lives each day a little easier. It is always great having a friend you can share good times and bad times with.

Being a friend isn't the easiest task in the world. Being a good friend takes a lot of patience and understanding, it also takes a real good ear. We all have that special friend who is willing to share good times and bad. PHS is a wonderful place to begin lasting and meaningful friendships.

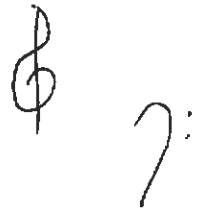

The Pops Ensemble performed at the Palatka Mall at Christmas. The Pops Ensemble has some great musicians backing them up. (Scott Garrett, Todd Riddle, Darin Bridges, Tracy Burnett and Mike Hale.)

The Palatka High Choral Department, under the leadership of Steve Hunt, is divided into three different groups: The Pops Ensemble, The Concert Choir and the Girl's Glee Club. These groups gave performances this year throughout the surrounding area. The Pops Ensemble performed at James A. Long Elementary, for the Teacher's Sorority Meeting, The Putnam County School Administrator's Christmas Party, the Music Department Concert in the PHS commons, the VOE District Meeting and they performed for the faculty and student body at Mellon Elementary. The combined choruses performed at the Palatka Mall and the Maltby Oak at Christmas time. The group also went to the FMEA-MENC All-State, in Daytona Beach. They also competed in the Solo Ensemble Contest and District Contest.

PRACTICE MAKES PERFECT

1

Sporting new uniforms, this year's band showed the spectators at football games what it takes to be one of the best in this part of the state. The band did their part this year to keep spirit going at pep rallies and football games.

1 Rifle Girls are Lisa Giddings, Alice Morris, Barbara Sharp and Lori Jackson.

When you see the band, chances are you will see Flag Girls, Rifle Girls and Majorettes. These troupes consist of twenty-three hard-working girls who, in order to give perfect performances, practice everyday. Participating with the band in a variety of activities throughout the year, they have built up quite a reputation as some of the best performing teams in our area. Keeping time with a variety of music and remembering routines to each number are part of what it takes to give the great performances that these girls give.

2 "Cosmos" from the band.

*. . . . . THEY'RE WITH THE BAND!*

Practicing routines everyday proves to a tiresome task, but one well worth it. After hours upon hours of hard work these girls appear ready and able to give outstanding performances everywhere they travel. Participating at Football games, in parades and in contests, they have entertained countless amounts of people. However, hard work is just part of it. Sporting flashy new costumes and winning smiles, they add an extra flare to the bands performances. And they really enjoy what they do. # ROTC STRESSES TOTAL DEVELOPMENT

1

1) MALE COLOR GUARD: Jimmie O'Neal, Joseph Robinson (Commander), Dean Kilpatrick, Rick Serrano, and William Hunter. 2) FEMALE COLOR GUARD: Venus Mullen, Velma Holcey (Commander), Tony Francis, and Vicky Clark. The Color Guards attend state and regional competitions and support school and community athletic events and patriotic events throughout the year.

2

With a variety of indoor and outdoor activities, the JROTC Program develops leadership and self-reliance, good citizenship, military knowledge and skills, and the ability to think logically and communicate effectively. The JROTC learning experience is intended to be useful to students in any future career, whether military or civilian.

The Rifle Team participates in state and regional shoulder-to-shoulder matches, and in several national postal matches each year. The Ranger Platoon goes on overnight encampments in the Palatka area and at Camp Blanding and participates in survival training, day and night patrolling, and adventure training. The Male and Female Drill Teams participate in school and community parades and ceremonies and attend state and regional competitions each year.

As squad leaders during their second year, platoon leaders or senior NCO's during their third year, or as battalion commander or staff officers during their fourth year, cadets practice leadership.

About half of our JROTC graduates have entered the Army, Navy, Air Force or Marine Corps. Among these several have received Army officer commissions from the University of Florida, and two have graduated from West Point. At present, we have Jay Warwick at the Air Force Academy, Eddie Pumphrey at the Citadel, Maurice Brown at Florida A & M, Bobby Hooten at the University of Florida and John Bolling and Odell Ford at Georgia Military College. Jay Crouse has been notified of his nomination to the U.S. Naval Academy.

Mr. C.K. Nash, Jr.

Who's that new guy walking around school? Oh, you mean the one who has a smile on his face all of the time? Why that's our new Principal Mr. C.K. Nash, Jr. He is a graduate from Ft. Myers High School. He then attended Edison Jr. College, and graduated with a B.A. degree in Business Education from Florida Atlantic University in Boca Raton, Florida. He taught business courses for the next four years at Ft. Myers High School. He then went to McNeese State University in Lake Charles, Louisiana where he received his master's degree in Supervision and Administration. He was an assistant principal at Palatka Central High School for three years, and then principal at Interlachen for six years. We are so happy to have Mr. Nash as our new principal.

## A World of Wonder

A wide variety of science classes were offered at Palatka High School this year. Biology, chemistry, physical science, and ecology were the most popular. Among the new subjects in this field were marine biology and micro biology. These courses helped many students prepare for classes in college and later use. Two credits of science were required. Students were required to take some form of biology and some form of physical science. The courses offered in this field helped a lot of Palatka High school students understand the how and why aspects of life in today's mysterious world of wonder.

Of course we're not calling in a bomb threat! says Mr. Coursey.

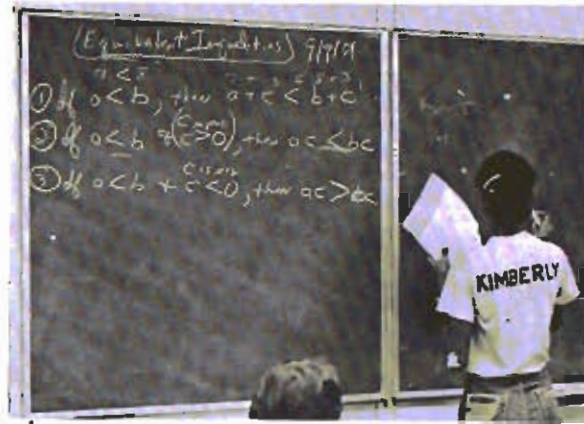

What are these students doing to me?, says Mr. Nash.

1) Lisa Montague finds time from her southern vacation to sit in on a P.H.S. science class. 2) Lucretia Kite, Clay Siprell, and Angela Small are busy at work, but Kenny Scranton finds time to glance at the camera. 3) Front row 1 to r; Paula Lawrence, Nyta Richardson, Donna Musselman. Back row 1 to r; Judie Van DeVenter, Lee Parkison, Bruce Ebert, and Henry Jenkins.

# Adding It Up.

No matter what line of work you plan on going into, math skills will be required. The math department helped us meet these requirements by offering a wide variety of classes.

Those classes were Math I and Math II, pre-algebra, Algebra I and II, geometry, and trigonometry. Two credits were required for graduation. It doesn't matter if you are a cashier, teacher, biologist, or mechanic, math will always be of use.

$$\frac{x}{y} = \frac{\sqrt{a}}{x} \div \frac{1}{a}$$

# Blood, Sweat, and Tears.

Falling down and scraping your knee was not exactly fun and neither was coming in from a day outside when it was 102 degrees, but it was all a part of physical education. Two credits were required for graduation. P.E. was not all that bad, in fact, it helped a lot of students stay healthy and happy!

Four years of English has always been required for graduation. Speech, Publications, Journalism, and VOE were the specialities in English. The English teachers have spent a great amount of time preparing their students in the English field.

# A Look Into The Present And The Past.

1) Mr. Myrick models clothing he got for a great buy at this flea market he is telling his class about. 2) Tracy Hayes and Ricky Mulberry seem to enjoy each others company. 3) (l to r) David Criswell, Keith Gartin, Mark Myrick, Mike Ruskowski, Jerry Miller. (l to r) Jake McClean, Tony Alred, John Gartin, Charles Jenkins, Tom Council. 4) Mr. Gartin proves that teachers too, can make avid Panther fans. (Billy Parkinson).

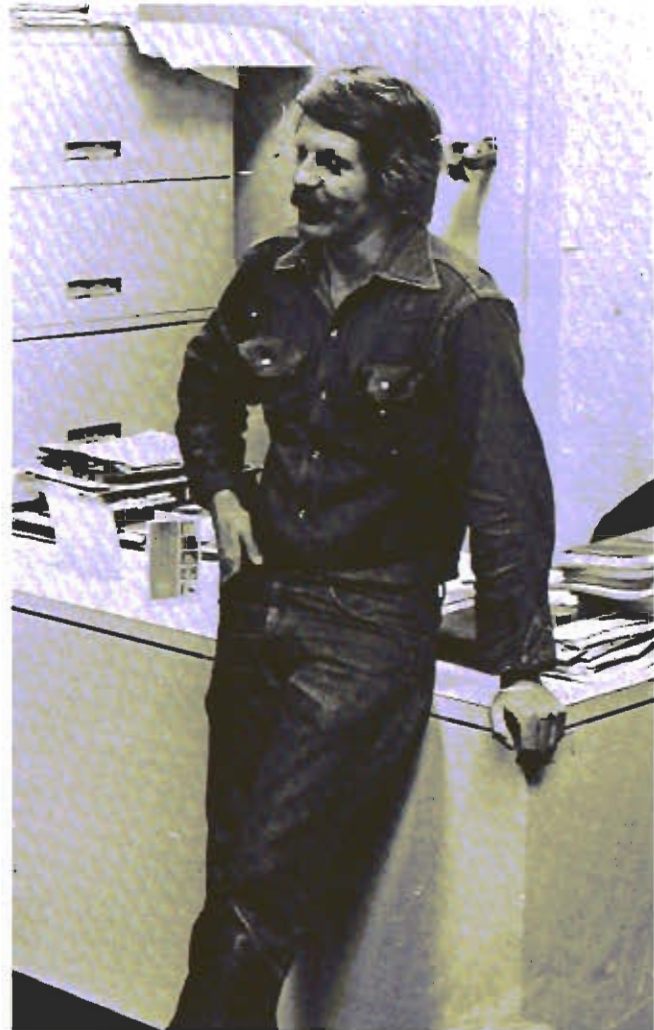

The History department at P.H.S. had an excellent variety of classes this year. The most dreaded of all students is the senior course, A.V.C. Although it may be tough, it is all worth the worry and wait in the long run.

# Constructing Skills

1

This department was familiar to most of the young men in the school. They learned about constructing, building, preparing, and fixing. Some of the classes were Masonry, Auto. Mech, and Carpentry, also Small gas engines and Drafting.

# Learning Essential Skills

The Home Economics had a very important goal to reach. The goal was to help students assume future roles in society. Other classes such as V.O.E. and shorthand helped students prepare for the business world. One class that was most interesting to medical minded students was Health Occupations. In a three hour block, the students learned about first aid, health, the body, and Hospital techniques. Eventually the students went to the hospital and worked (under supervision). Another class is M.F.L. (Modern Family Living) was a senior class that prepares them for the future. It helped them with all they needed.

1) Betty Crocker and Julia Child, alias Suzanne Cobb and Carla Caulk, flaunt their gourmet cooking. 2) I really have to type this? Graduating Class of 1982  
Palatka High School  
Palatka, Florida 32077

June 11, 1982

Dear Senior:

As the years go by and you return to the moments of the past by turning the pages of this, your Senior Class Annual, many thoughts will cross your minds. Now you can only wonder what the future holds for you and those who became so close, better known as your classmates. Years from now as you look back, these secrets will have unfolded yielding the victories, the defeats, the good and the bad, and perhaps you'll ask yourself many times this question; "If I had it to do over again, would I follow the same trail?"

Time and experience will be the best teacher you ever had. How good a student you become is entirely up to you. We might suggest several checkpoints that can be of great help to you: Never commit any deed that when looking in a mirror would cause you to be ashamed of the person you see. Always do unto others as you would have them do unto you. Never be too busy to constantly provide friendship and love to your family and friends. Always carry a deep respect for your parents and honor them in all ways. Never depend upon yourself, but on your Father in Heaven who saw fit to put you on this earth. Remember His Son, for this lonely Man upon the cross reflects a love that our Father has for us that fathoms in its depth of all logic and understanding. Remember, it is never your reputation that you are to protect, but this Man, God's Son, which walks constantly beside you. Give to him your false pride, ego, frustrations and temptations, and peace will be your constant companion. Remember that in truth, you will never own anything upon this earth, for all things belong to Him, and we are simply trusted to utilize these assets as He so directs. The rewards for this obedience are tremendous. Never forget what your source of power can be when you place total reliance and trust upon this Man.

We at Management South, are a Christian family. Our work is an everyday pleasure. We wish you the same and ask only one thing; as you step out into a new and wonderful world, accept the challenge with an open heart and give to it a mighty effort worthy of the name which your earthly father so proudly honored you with. Never quit and never be afraid to stand up and be

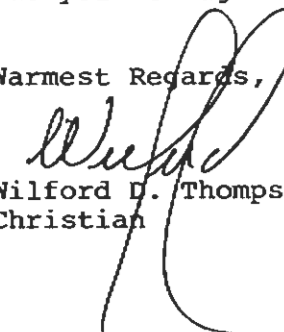

P. O. DRAWER 1488 / 113 NORTH 4TH STREET / PALATKA, FLORIDA 32077

*Management South, Inc.*

counted in defending the weak, the poor, the truth, and what is right. You might find yourself on many occasions alone, but you shall not lose. You shall be sustained and there shall be a joy in your heart that no mortal man can destroy, and in the winter of your life when you have climbed the mountain of trials and tribulations you can look down upon this world and be proud of who you are and all that you have become.

God bless everyone of you and may His love and that of Jesus Christ always light your path and guide your thoughts until the end of time.

Warmest Regards,

Wilford D. Thompson, Jr.  
Christian
