To a sweet
girl. Joanne

Opportunity 1967
By Jackie Henkle

OPPORTUNITY lodges nearby us.
Waiting, lingering, calling . . .
A challenge to those of us who seek it,
A promise of reward to those of us who dare.

Accept the challenge and learn
To hope, to seek, and to feel
Open your hearts (and your minds!) to the promise--
The promise of success, achievement, life.

Goa nice and
bullet give, hope
you have seen
in your few
coming years
of life!

MEET THE NINTH GRADERS

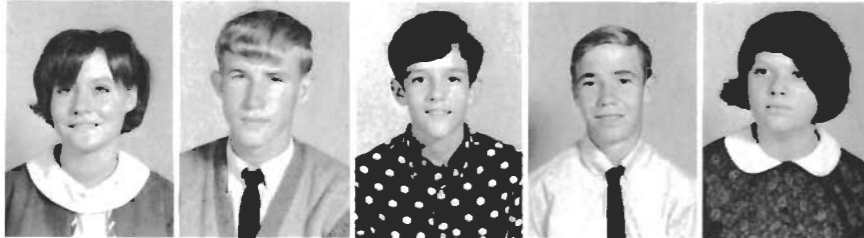

They win football games.
 They read GREAT EXPECTATIONS, study equations and plant life.
 Weekends they surf, dance, and pray.
 Day after day, they energetically sign petitions and chew gum.
 Today they are with us at Palatka Junior High;
 Tomorrow they will be gone.
 Life calls them

*Mary
 this year
 has really been
 fun. I'm real glad you've gone to
 like the rest of us (the gang)
 say cute & sweet
