## Mrs. Evelyn E. Hood

Long after Caesar's Gallic Wars have been forgotten, the one who taught them will be remembered by her former students and those who knew her at Palatka Senior High School.

For she is more than a teacher—she is an example. Dedicated, that worn out word, describes

her, along with competent, high-principled, humorous, attractive.

With respect and real affection, the Senior Class of 1969 takes pride in dedicating its annual to Mrs. Evelyn E. Hood.

We have a horse, Myth Hood; can you swim?

Homecoming '68 . . . floats, fatigue, and fairytale, the best ever. A Week filled with so much excitement and school spirit that no one could remain untouched, from the first ball on Monday until the last dance on Friday night.

We made this week and we can be proud. It was a week filled with memories . . . the Bonfire, the Parade, the Pow Wow, and a fantastic victory over Starke.

Our faculty and our administrators made our Homecoming great, too. They understood, perhaps with bitter-sweet wisdom, when we came to class and slept or didn't come at all.

Miss Betty Carol Harrell, our lovely queen, added a touch of grace to this week. Her smile brightened halls crowded with sleepy-eyed float-makers.

This is our week, to keep and remember. Our Homecoming lingers

# Paul Brings Continental Air to PSHS

From Massa, Italy came exchange student Paul Pedri to join the Senior Class. Communication at first was difficult, but before long Paul's English rivaled his Italian for speed. If he didn't know the appropriate word, a gesture or a shrug would do.

He could be seen talking in the halls, chatting with teachers, and flirting with girls. Intelligent and impatient, he did not mind expressing his opinions or arguing for his views.

A versatile fellow, this Paul. He had the girls swooning when he sang at King of Clubs Contest. His interests were varied. Tennis, music, photography, dances and girls—all drew his attention. Paul did not try to be like everyone else. He was himself—an important part of those days of 1969 at Palatka Senior High.

Brave Spirit Mounts for Live Oak Game!

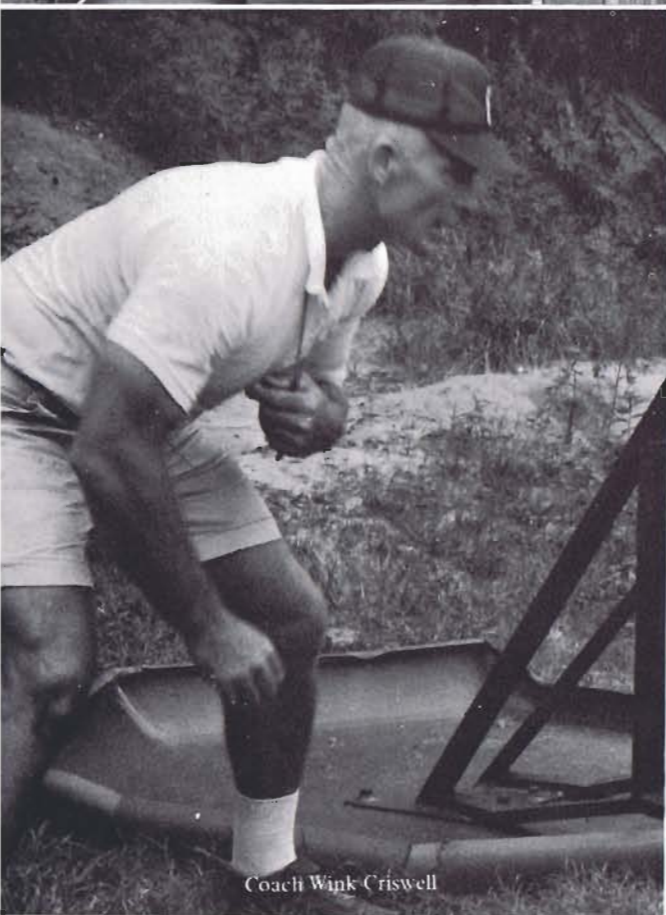

Head Coach Bill Bennett

The Varsity coaches deserve the deepest gratification for devoting their time and energy to make this a winning season that will be remembered for many years to come. They not only conditioned the boys for football but prepared them for the future. Without them all this would not be possible. Win or lose we feel we have the best coaches in the STATE.

# Fearsome Foursome for Palatka High

Tim Gilmore, Kenny Anderson, Arthur Annis, and Castleberry

Although these boys have been chosen to represent the Junior class as outstanding players, we wish to acknowledge the fact that without the help of their teammates they could not have been outstanding.

# The 1968 Trainer and Managers

The camera shy person is Caca Smith.

The Student body wishes to thank the managers for giving their free time and hard work to help the team whenever and however they could. They are as much a part of the team as the players themselves.

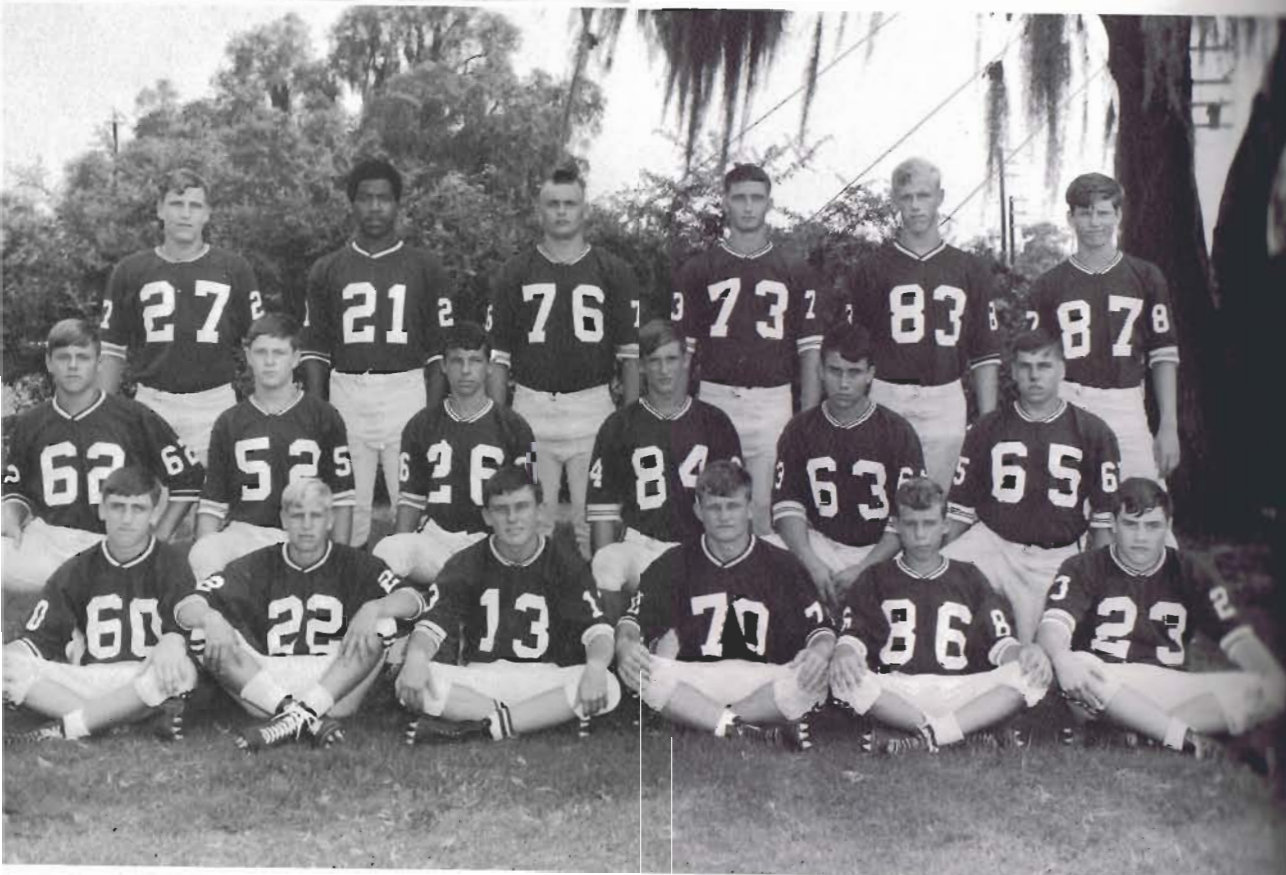

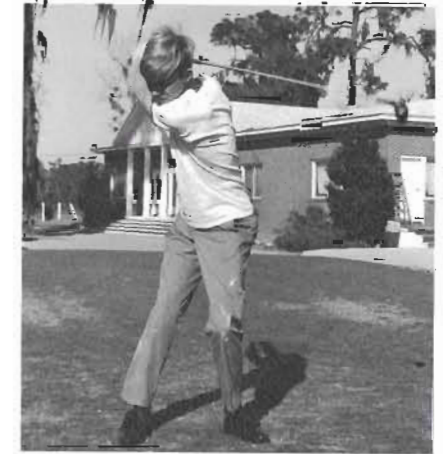

# The 1968 Baby Braves

Congratulations to the junior varsity for their winning season. These boys have shown what hard work and determination can do for a team. They have overcome foes that outnumbered them 4 to 1. This is the will to win.

# Team Strives to Live Up to Past Glories

Returning lettermen: Hollis Tinsley, Arthur Annis, Gary Stubblefield, Vic Moye, John Raymond Theobald.

With five returning lettermen and a new coach, the Brave team looked forward to a successful season. From past glories of PSHS baseball teams, they realized they had a lot to live up to. Having the beautiful Azalea Bowl and facilities for night games added to the pleasure and excitement of playing baseball for Palatka High.

And so we leave the doors of Palatka Senior High School only to enter another phase of life. What will become of us? No one knows,

Mary,

What a year! So many nutty things to remember! Don't forget our homeroom (mass hysteria?) and good 'Ole Mrs. Hood's class. Sometimes I wonder how we lived through it! Next year will be our year to 'shine'. I wish you a life of wonder & love.

Affectionately,  
Connie Hotes

Mary: Do a very nice picture of you and the other girls. I would love to have one you and the other girls. (Carol Barker)

Dear Mary,  
I was glad to know you. I have had a lot of fun. I liked the time I stayed with you and we went on the trail ride. I still say Mr. Spock doesn't like me. I guess I just couldn't make up my mind. I would kick him to make him go fast and then pull the reins to go slow. Thanks a lot for asking me. I use make up now. I like it a whole lot. It really works. I hope that the world is good to you. This is a hard cruel world. Lots of luck in the future and may God bless us both. I hope all your dreams come true.
