**Mrs. Madge Butler**

Dear Madge,

May we be so familiar, now that we are seniors and will be leaving soon? We hear you are too, after thirty years of putting up with the likes of us. We've been through so much together—like charging up San Juan Hill with you and Teddy, winning World War I, reliving the depression—that we want to thank you for these memories. We know we irritated you at times, but remember, you're not our idea of a sweet little old lady yourself. You're our "terrible Miss Dove."

So, with love and respect, we are proud to dedicate this book to you.

Love,
