PUTNAM HIGH SCHOOL

PALATKA, FLORIDA

DEDICATION

To Mr. J. Nelson Platt, our assistant principal, whose service and influence have been felt in every department and aspect of school life for the past twelve years, we dedicate this annual.

With the passing of our beloved principal, Mr. W. W. Carter, it was Mr. Platt who stepped in and took over the difficult job of continuing the policies of Mr. Carter; with the arrival of our new principal, Mr. G. C. Roberts, it was Mr. Platt's able assistance which has perfectly blended the new administration with the old.

In his classes Mr. Platt has instilled in hundreds of pupils a sense of the scientific spirit and has won a place in the hearts of each of them. In fact, he has rendered a service that can hardly be expressed in words. Through his interest and leadership a Hi-Y Club was founded in Putnam High School; he has, at all times, been the guiding hand of the club and a ready counselor of the boys. His untiring efforts for the club have made for its success. It has been Mr. Platt's successful work, perhaps more than any one factor, which has been responsible for the steady growth of the fine moral spirit which has been Putnam High's in recent years.

THE STAFF.

FOREWORD

In reviving the high school yearbook, the staff has attempted to crystallize a mental panorama of the innumerable associations and experiences of high school days. In carrying out the book's theme—Palatka, her natural beauty and unique charm—an effort has been made to include all the illustrative phases which form an integral part of the student's life.

IN MEMORIAM

In memory of Professor W. W. Carter, our loyal friend who served as principal of Putnam High School for ten years (1927-1937).

In the hearts of the students and faculty who worked under him and his many friends is a place which can never be filled by anyone else.

IN MEMORIAM

In memory of Gilbert Harshbarger, member of the class of 1938, whose tragic passing last summer saddened each of us.

His gay and easy manner is missed, and we know that his place cannot be filled by another.

IN MEMORIAM

In memory of Edward Leggett, whose untimely passing during the early months of this school year touched the hearts of each of us.

As a member of the "Bulldogs" and as a friend he was known and beloved by the student body.
