Free Inhabitants 1667

 Remarks "A good number of the Inhabitants in this county have emigrated during a few years past;
 mostly from South Carolina and Georgia."

 I certify that the enumeration of the foregoing Schedule were well and truly made in
 accord and with the tenor of my Oath of Office —

 Geo. J. Zehnbauner
 Ass't Marshal

Although Putnam County was created in 1849 from surrounding counties, the area east of the St. Johns River, excepting the Fruitland Peninsula, remained as part of St. Johns County.

For this reason, we are including some of the families we believed in the Federal Point to San Mateo area.
